# SAP30C-10 PAVER

**SANY**

**SAP30C-10**  
**PAVER**

**50 t/h** Max Paving Capacity

**1300-3200 mm** Basic Paving Width

**55.4 kW / 2600 rpm** Engine Rated Power

## Technical Specifications

| Model                          | SAP30C-10                 |
|--------------------------------|---------------------------|
| Paving capacity (t/h)          | 250                       |
| Screed Model                   | SE320EV Telescopic Screed |
| Hyd. Basic width (mm)          | 1300 - 3200               |
| Max. Paving thickness (mm)     | 18                        |
| Working speed (m/min)          | 30                        |
| Travel speed (km/h)            | 3.6                       |
| Auger Diameter (mm)            | 300                       |
| Engine brand                   | DEUTZ                     |
| Engine model                   | TD2.9L4                   |
| Rated power of engine (kW/rpm) | 55.4/2600                 |
| Emission standard              | IV                        |
| Voltage of electric system (V) | 12-24                     |
| Gradeability                   | ≥ 20%                     |
| Hopper capacity (m³)           | 2.8                       |
| Heating System                 | Electric, 240V            |
| Camber adjustment range (%)    | -0.5~3                    |
| Vibrations                     | 3                         |
| Max vibration speed (Hz)       | 25                        |

| Model                 | SAP30C-10 |
|-----------------------|-----------|
| Operating Weight (kg) | 8,390     |
| Height (mm)           | 1970      |
| Width (mm)            | 1760      |
| Length (mm)           | 53007     |
